DETAILED ACTION

1. Claims 6,7,14,19 and 20 have been amended.

Oath/Declaration

2. The objection to the declaration is maintained.

Drawings

3. The objections to the drawings are maintained.

Claim Rejections - 35 USC § 112

4. The rejections of claims 6, 7, 19 and 20 are withdrawn in view of applicant's amendments.

Response to Arguments

5. Applicant's arguments filed 10 May 2002 have been fully considered but they are not persuasive.

As per Claims 1 and 27.

Applicant states that Kuhn ('049) does not disclose receiving an interaction record including interaction information describing a customer interaction. The call records of Kuhn ('049) are seen to be an interaction record, see specifically figure 3 which is a record of calls to the highlighted employee, Nathan Johnson (314), specific description of the interaction is seen to be the "Regarding" field (320).

Applicant further states that Kuhn ('049) does not disclose identifying a cumulative record to which the interaction record contributes. The cumulative record of Kuhn ('049) seen in figure 3 is Nathan Johnson's cumulative phone record.

As per Claim 14.

Applicant states that Kuhn ('049) does not disclose a first process to receive a first record including information describing a customer interaction and to identify a cumulative record to which the first record contributes. The first process is seen to be the receipt of a call, the identification of the cumulative record to which it belongs is seen to be the determination of the appropriate agent's telephone number, as the records are accumulated based on telephone number, the description of the interaction is seen to be the "Regarding" field (320) of figure 3.

Claim Rejections - 35 USC § 102

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(e) the invention was described in a patent granted on an application for patent by another filed in the United States before the invention thereof by the applicant for patent, or on an international application by another who has fulfilled the requirements of paragraphs (1), (2), and (4) of section 371(c) of this title before the invention thereof by the applicant for patent.

6. Claims 1-27 are rejected under 35 U.S.C. 102(e) as being anticipated by Kuhn (6,263,049).

As per Claim 1.
